About the Sea Devil Club

Donations to the Sea Devil Club through the Cape Fear Community College Foundation, Inc. provides the backbone of financial support for Cape Fear Athletics. Funds raised by the Sea Devil Club from CFCC faculty & staff, area businesses, alumni, fans, and friends, aid in funding scholarships for Sea Devil student-athletes, athletic facility improvements and other programmatic needs for Cape Fear Community College's Junior College Division I athletic program.

Today, our athletic teams have well over 100 student-athletes and compete in six intercollegiate sports. The Sea Devils are a member of the National Junior College Athletic Association – Division I and compete in the Carolinas Junior College Conference. Through the leadership of the athletic administration, coaching staff and college support, our program has expanded and offers something special to the Cape Fear student.

Sea Devil Club members enjoy a number of benefits including the opportunity to attend special meetings and functions with CFCC coaches and athletic administrators, priority tickets, the Annual Athletic Banquet as well as other social events. Members also receive a sense of ownership in the successes experienced by the Sea Devil Athletic program and satisfaction from the investment made in the lives of young men and women, who positively represent Cape Fear Community College on and off the playing fields.

The financial support provided by the Sea Devil Club contributes to the success of the Cape Fear Community College athletics program we now enjoy. Be a part of our team!
